

ISSUE: Payment Details need to be greatly enhanced to show separate fields for: Tender/Card/Gift Card Types, Discount Code

Change Expiry Date to Expiration Date

Change Total Amount to Order Amount

① localhost:3001/order

The screenshot shows a restaurant website for "THE SMOKEMASTER". The top navigation bar includes links for HOME, MENU, ORDER, CONTACT, and a shopping cart icon showing 1 item for \$13.53. The main content area features a "Gospel Plate" dish with meat, macaroni, and beans. A central modal window titled "Payment Details" is displayed. It contains fields for Card Number, Expiry Date (MM/YY), CVV, and ZIP Code. Below these fields, a large orange box displays the "Total Amount" as "\$13.53". At the bottom of the modal, there are "Cancel" and "Pay \$13.53" buttons. A small note at the bottom of the modal states: "Payments are securely processed by Clover. Your card details are never stored on our servers." To the right of the modal, an "Order Summary" section lists the "Gospel Plate" item with a quantity of 1 at \$12.50, along with pickup date (12/24/2025), time (5:30 PM), special instructions (any special requests? Tea, Soda, or Chip preferences?), subtotal, tax, and total. A "Proceed to Checkout" button is also present.
